RE: Scholarship Opportunity for the 2010 AlaSHE Spring Conference

During the recent AlaSHE board meeting, it was decided that AlaSHE would again offer up to twenty scholarships to assist Healthcare Engineers in attending the upcoming Spring Conference being held in Pensacola, Florida May 12, 13, and 14.

The scholarship will include registration, hotel, and travel expenses up to \$500.00 per attendee. We will also be coordinating room sharing for anyone interested as a way to reduce your expenses for the meeting.

The scholarships are available to current active members as well as potential active members. **Please note that if you received a scholarship to attend the 2009 fall conference, you are not eligible to apply for the spring conference scholarship.**

All we will need is a letter (or e-mail) requesting to be considered for the scholarship and a letter (or e-mail) from who you directly report to stating that you would be otherwise unable to attend the meeting without the assistance of the scholarship.

Please contact myself, any of the board members, or Debbie Stuckey if you are interested.

Hope to see you at the spring meeting,
