

ALABAMA SOCIETY FOR HEALTHCARE ENGINEERING 2024 SPRING CONFERENCE

**Hilton Pensacola Beach
Pensacola, Florida
May 15-16-17 2024**

Join us for the 2024 AlaSHE Spring Conference and Technical Exhibition being held May 15-16-17 in Pensacola, Florida. You will not want to miss a single minute of the outstanding program that has been planned to keep you up-to-date on the latest rules, regulations and codes. In addition to the classroom experiences, you have the opportunity to view new and innovative products and services at the vendor fair. Door prizes will be given away during the exhibits and to ensure that all winners are present we will draw from tickets handed out to attendees.

Casual dress is the attire for the entire meeting.

☺ **Do you want to take your career to the next level and achieve CHFM status but you need the tools to get there? AlaSHE will be offering the *CHFM Exam Review Course* on Wednesday, May 15 from 8a until 4p. This program provides the tools to help prepare you to take the CHFM examination. Through a combination of lecture, CHFM formatted practice test questions, and study materials, you will gain confidence in the five key competency areas of the CHFM exam, learn what resources you need to review, and how to take a computer-based exam. This class is included in the full conference registration fee. *Please note: The workshop fee does not include the CHFM exam fee, nor does it register you for the exam. Participation in this program does not guarantee a passing score on the exam. To download the CHFM exam handbook or to register to take the CHFM Exam, please visit ASHE.org, the AHA Certification Center, to download a hard copy of the Exam Application.***
